

PRODUCT SPECIFICATION.

MANLY.

◦ 316109 ▶

Description: Derby style executive lace up shoe with padded collar.

Upper Materials: Cowhide water-resistant fullgrain premium leather, quarter and tongue leather lining and stitched nylon thread. Non-corrosive lacing.

Toe Cap: 200J Safety Steel.

Full Innersole: A full length footbed that is inserted into the footwear to offer additional support and comfort. This footbed is made from soft polyurethane that will retain its shape and thickness throughout the life of the boot.

Insole: A full length anti-bacterial / anti-fungal punch woven, PORON® Permafresh covered insole. Increases breathability, wicking and adds superior cushioning under foot.

Midsole: Directly moulded Polyurethane midsole for greater shock absorption.

Outsole: Antistatic Thermoplastic Urethane (TPU) outsole for superior wear properties. Heat resistant to 130°C.

Trisole™ Comfort Technology Soling System: The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON® as energy absorbing pads under the pressure points of the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.

MANLY (316109) FEATURES:
