

PROTECTIVE - SLIP ON

CRAZE SLIP ON

FU1501SL

WHEAT

BLACK

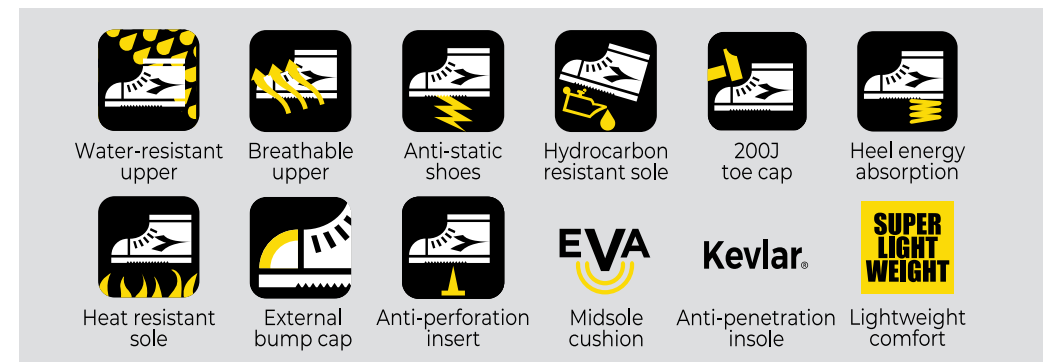

Value priced and lightweight, this anti-penetration kevlar plate, slip-on safety boot is a great option. With water resistant nubuck upper, slip-on design for easy entry/exit, lightweight 200J impact resistant composite toe cap, phylon midsole for enhanced cushioning, external TPU scuff resistant bump cap for increased durability, padded PU insole and nitrile rubber outsole that is resistant to 300°C. Kevlar plate for protection from sharp things under your feet, outsole with slip resistant properties and heel energy absorption.
