

KP20 - Lightweight Knee Pad

Collection: Kneepads

Range: Kneepads

Materials: Nylon, EVA Foam, Plastic

Outer Carton: 48

Product information

So lightweight, you won't even know you are wearing it. Designed to wraparound your knee, moulding to its shape using two lightweight well placed straps. A tough outer shell gives your knees protection against sharp objects and uneven surfaces. Its thick foam centre cushions your knee, while its breathable inner fabric allows air to circulate preventing any build up of moisture.

Kneepads

Portwest Knee protection range offers knee protection to suit every situation, type 1 (strap on knee pads) type 2 (insert knee pads) All Portwest knee pads use premium high density material to provide the user with the best protection possible for their knees no matter what the hazard. Diverse materials such as EVA foam, neoprene rubber and silicone gel inserts are used to ensure maximum wearer comfort. Ergonomic design is a key feature in our knee protection range and is proven with the positive feedback we receive from our wearer trials and satisfied customers Ergonomics is a key feature in our knee pads design and is backed up in the positive feed back we receive from our wearer trials.
